Every community certainly has at least one "outstanding emergency medical technician" who should be recognized. Each Post Commander is urged to direct his appointed Safety Chairman to find a nominee or name a Special Chairman to submit an "outstanding emergency medical technician nominee." The Post Chairman is responsible for coordinating this program and selecting the Post's most worthy candidate. This individual would then be submitted to the District Chairman for judging.

The District then submits ONE winner to the State Chairman for final selection with the report form completed for all participating posts.

The person selected as our "Outstanding Emergency Medical Technician" will receive a framed citation and jacket to be presented at their place of business or work or where they desire to have the award presented to them. I, as Director or one of the State Officers or District Commanders will present these awards.

This is a way of doing our programs and getting out to the public. I will need your cooperation in getting these set up for the awards.

Don't forget to have the cover sheets filled out with all information on sheet and photograph to be sent with cover sheet.

This is one program that can help you qualify for All-State honors.
