

ENDOWMENT ASSOCIATION

Comrades and Ladies, thank you for your generous donations this past year to the Endowment Association. **YOU ALL ANSWERED THE CALL.** Comrades, we made a tremendous improvement this past year, one of the best ever. Comrades you raised and donated \$2,695.84 to the Endowment. A big thanks goes to you.

Ladies, the Endowment Committee deeply appreciates all of your hard work in supporting and earning monies for the Endowment Association. Your participation on the committee is a great value also. Ladies Auxiliary of the State of Kansas VFW raised and donated \$8,278.50 to the Endowment. A big thanks goes to you.

Together, we raised over \$10,974.34 this past year. **THANK YOU TO ALL** and keep up the good work.

If any Post is having a function to raise money for the Endowment Association, please let me know. I will make every effort I can to be present.

THE HEAT IS ON

Remember, I issued a challenge to the Districts to raise \$250.00 each (this does not include the Auxiliary donations). This goes for this year also. I am also challenging each Post of the Department of Kansas to donate \$30.00 this year. It is for the kids of Veterans of the State of Kansas. Please send your donations either to me or the Department Headquarters and earmark the VFW donations.

Thanks again comrades and ladies.
